Incidentally, No. 1 Man Korody went on to the National Collegiate Athletic Association tournament at Ohio State in late June to clearly establish Juniata's claim that he is one of the nation's best.

## THE TALK OF THE CAMPUS

### Commencement

THE HUMANITIES in the life of an educated person were emphasized as 87 students were awarded degrees at the College's 75th Commencement on June 4. Dr. Paul H. Lang of Columbia University, one of the nation's top scholars of music, stressed the role of arts and letters in the life of the graduating students as the exercises concluded the 75th anniversary year.

President Calvert N. Ellis conferred bachelor of arts degrees on 26 and bachelor of science degrees on 61. There were 48 men and 39 women in the class.

### Six Gain Honors

SIX SENIORS in the June class were graduated with honors. The top scholars were: Gerald F. Hartzel, Souderton, and Edwin H. Marschka, Erie, both magna cum laude. Four others were graduated cum laude: John H. Baldrige, Tyrone; Elsie Beard Lowry, Westminster, Md.; Howard C. Montgomery, Orbisonia; and Quayton R. Stottlemeyer, Waynesboro.

### Top Prize Awards

GERALD F. HARTZEL, a married student and former Merchant Marine, shared top prize honors with three coeds in the June class. Hartzel won the new \$100 William S. Price Social Studies prize. The second new prize—the Dr. Irvin

D. Metzger Arts and Languages prize of \$100—went to Lois Ann Wagner, Lewistown.

The annual Justina Marstellar Langdon prize of \$50 was awarded to Ruth K. Kimble, Stuarts Draft, Va., and Erla Mae Weist, Ephrata, was the recipient of the Women's Work Council award presented by the Middle District of Pennsylvania, Church of the Brethren.

### Tremendous Oratorio

THE CHORUS of alumni and campus singers which gathered on Sunday, June 3, to sing the oratorio, "The Messiah," exceeded in number any group which has sung at this traditional Commencement weekend activity. Some 230 jammed the stage of Oller Hall to give a tremendous presentation of the oratorio under Prof. Charles L. Rowland in his year of retirement.

Nine of the 16 soloists were returning alumni: Evelyn Springer Kriebel '44, Souderton; Hazel McMunn '47ex, Irwin; Peggy Gluck '42, Lebanon; Philip Holsinger '48, Somerset; Greer Bailey '41, Irwin; William Blough '36, Sharon; Robert Brashear '48, Roaring Spring; Philip Fletcher '48, Niagara Falls, N. Y.; Franklin Perkins '49, New York, N. Y.

### Test Days

T-DAY for draft-age undergraduates came up three times on the calendar at the college as the Selec-

tive Service System conducted its nation-wide college qualification test. The tests were designed to provide local boards with evidence of the relative qualifications of registrants for college study.

Biggest day was May 26—in the middle of the college's regularly scheduled final examinations—when 166 students flocked into the college gym, chapel and Room C. Other tests were held on June 16 and June 30.

### Summer Term

JUNIATA'S 26th Summer Term opened Monday, June 18, with an enrollment of 117—lowest since the end of World War II. Two Huntingdon persons, Raymond F. Getty, superintendent of borough schools, and Mrs. John W. Strait, private instructor in music, joined the staff to supplement the regular faculty. Mr. Getty was teaching an education course and Mrs. Strait was providing instruction in piano and organ.

The annual Summer Commencement is scheduled in Oller Hall for Saturday, August 25.

### Spring Festival

DESPITE threatening skies, Juniata's first Spring Festival on May 12 proved to be a worthy successor to May Day and the beginning of another well-deserved tradition. From the procession of the queen down the gaily decorated walk to Oller Hall to the awarding of the gold-trimmed gavel for the best cam-

pus club display, spectators were treated to an afternoon of well-chosen entertainment and unique exhibits.

The college orchestra heralded the arrival of Queen Gladys Gehman '51, Windber, Pa., her Prince Consort William Korman, and the court.

First prize for the best exhibit and program went to Lambda Gamma, home economics club, for a fashion show and food demonstration entitled, "The Old Woman in the Shoe."

## Columbia Program

JUNIATA College has been selected by the School of Engineering of Columbia University as one of 12 liberal arts colleges to cooperate in a joint program of study for educating engineering students.

The plan for a liberal education in engineering has been set up to meet the nation's needs for a greater number of broadly trained engineers, according to Dr. John R. Dunning, dean of the Columbia School.

Students may attend Juniata College or one of the selected liberal arts colleges for three years and then Columbia's School of Engineering for two years. The combined five-year program will lead to both bachelor of arts and bachelor of science degrees.

Columbia is the second major institution that Juniata has joined in a cooperative five-year program. Earlier this year, Juniata entered into a similar agreement with Carnegie Institute of Technology, Pittsburgh, in the "3-2 Plan."

Other colleges in the Columbia program are: Allegheny College, Baldwin-Wallace College, Franklin and Marshall College, Hobart and William Smith Colleges, Hofstra College, Marietta College, Miami University (Ohio), Middleburg College, Queens College, St. Lawrence University, and Washington and Lee University.

ENJOY VACATION WEEK

SENIOR COEDS selected by students at the College reigned over the Spring Festival on the campus Saturday, May 12. Left to right: Dolores J. Shaffer, Somerset, Pa.; Phyllis M. Baughman, Littlestown, Pa., attendants; Erla Mae Weist, Ephrata, Pa., maid of honor; and Queen Gladys E. Gehman, Windber, Pa.

### Student Leader Selected

Arthur B. Allen, a business administration major from Greensburg, Pa., has been elected president of Student Senate at Juniata. He will serve for 1951-52.

### 'Prof' Emeritus

PROF. Charles L. Rowland, retiring from the music faculty after 31 years, has been named professor of music emeritus, President Calvert N. Ellis has announced. He

ROWLAND

will remain on the active faculty for next year, however, at the special request of the board of trustees. Professor Rowland joined the staff in 1920 as voice and theory teacher and glee club director. This year completed his 19th season as director of Juniata College's a cappella choir, an outstanding mixed voice group.

The music professor was graduated from Blue Ridge College, Md., in 1908 and was the first man in the Church of the Brethren to receive a bachelor's degree in music from Brandon Institute of Music in 1917.

## Medical Technology

A PROGRAM in medical technology has been set up by Juniata College to enable students to qualify for a degree and certification as a technologist in less than five years.

Directly affected would be students who desire to become clinical technicians performing laboratory tests in hospitals, medical research laboratories, public health clinics and offices of private physicians.

The plan will enable students to complete a three-year program at Juniata and then enter a school of medical technology approved by the Council on Medical Education and Hospitals of the American Medical Association. It takes 12-18 months to complete the latter program.

The degree from Juniata College would be conferred upon satisfactory completion of the work of the school of medical technology.

### Heads Home Ec Clubs

A Juniata coed, Ruth E. Armentrout '52 of Harrisonburg, Va., was elected president of the College Clubs of the Pennsylvania Home Economics Association for the coming year.

## Swigart Hall

SWIGART HALL was formally presented to the college on June 3 "as a gesture of genuine friendship" from the Swigart family. The beautifully redecorated home of Juniata's department of music was turned over to the college by William E. Swigart, Jr. '37, son of the donor, in brief but impressive ceremonies.

Mrs. W. Emmert Swigart unveiled a plaque in the main hallway which revealed that her husband—a long-time friend and trustee—had presented this building November 25, 1949.

Swigart Hall was accepted by Henry B. Gibbel '26, president of the Board of Trustees, who humbly thanked the Swigart family for its continuing interest and financial support of Juniata College.

In all respects, Swigart Hall has been remodeled and redecorated to meet the needs of an up-to-date department of music. On the main floor is a recital hall, studio for department chairman and storage room for instruments and records. Studios for other instructors are provided on the second floor.

Nine sound-proof practice rooms have been constructed on the third floor; two others are available on the second floor, and one is on the main floor—a total of 12 rooms with 11 pianos for practice. In the large basement is a classroom which also will be used for band and orchestra rehearsal.

### Leave For Dean Spencer

Miss Edith L. Spencer, dean of women at Juniata College, has been granted a one-year leave of absence effective in June, President Calvert N. Ellis has announced. The leave was granted to Miss Spencer after 15 years of service as dean of women and assistant professor of art.

No appointment has been made for the position of acting dean for next year as yet, President Ellis said.

### Correction

The correct date of the entrance to Juniata of the late Charles Calvert Ellis was 1888, according to Roland L. Howe NE'94.

## High Rating For PhD's

JUNIATA COLLEGE is rated as eighth in the nation as a college from which men and women go to get their doctor's degrees in chemistry.

Information is based on the factual data collected in the famous Trytten Report and discussed in the Journal of Chemical Education by Dean Harry F. Lewis in his article entitled "The Role of the Liberal Arts Colleges in the Professional Training of Chemists."

Only four Pennsylvania colleges are mentioned in the article—and Juniata is one of two of these on the 1950 approved list of the American Chemical Society.

### Takes YWCA Post

Miss Lois P. Esaley '50, who served this year as instructor in English and director of dramatic productions at the college, has accepted a position as program director of the Y.W.C.A. in Boston. She will begin about September 1.

**QUEEN CAN COOK** — Juniata College's queen of the Spring Festival not only is attractive—but she can cook, too! Gladys E. Gehman, charming senior coed from Windber, Pa., was the fourth home economics major in five years to be queen of Juniata's May-time activities.

## Tuition Goes Up

THE College has been forced to raise tuition and board charges beginning with the Summer term, because of "cost of living increases."

Tuition has been upped from \$12 to \$13 a credit-hour and board charges have been raised \$10 to a total of \$150 per regular term (Summer term board is \$85).

The added income from tuition will be used "to adjust faculty salaries and cover increased calls for student aid," President Calvert N. Ellis stated. Additional income from board will be applied toward higher costs of food.

In spite of the increase, the average total expenses in residence at Juniata College are listed as only \$890 for combined Fall and Spring terms. These charges rank Juniata among the lowest in the nation for comparable colleges, Dr. Ellis explained.

### Identify Early Faculty

Roland L. Howe NE'94 has informed the editors that he has "a very vivid recollection of the two 'unidentified' early faculty members" in the 75th anniversary issue of the Bulletin. Standing next to Ida Mae Pecht is "our good Quaker Sister Sarah S. Kirk who assumed the faculty position vacated by Francis Harvey Green; and just in front of her (second seated) is Prof. Arthur T. Walker."

### Korean Flag

Lt. Ralph D. Harrity '47 long-time veteran of the Korean War, has sent a South Korean flag to Alumni Secretary Harold B. Brumbaugh with the comment: "It originally must have been North Korean, but as you can see, the soldier hastily made a new one in fear of his life . . . 'hurry-up flags' we call them."

### Delegate to NEA

Dr. Edgar S. Kiracofe, chairman of the department of education at Juniata College, was selected as a delegate to the National Education Association convention in San Francisco, Calif., July 2-6.

## New Scholarships

THREE new scholarships have been established at Juniata College.

The Charles C. Ellis Memorial Scholarships have been established by the friends and alumni of Juniata College as a memorial to the late Dr. Ellis, who had served the College as teacher, vice-president, president, president emeritus, and trustee from 1894 until his death in 1950. They are awarded to students who have demonstrated unusual competence in scholarship and good citizenship.

Robert E. Miller of Johnstown, Pa., has established a scholarship fund, the income of which is to be used for the education of students from the Johnstown area who are members of the Church of the Brethren. Preference will be given to those preparing for the ministry or missionary service.

As a memorial to his late father, who attended Juniata College in 1903, Mr. John T. Ryan, Pittsburgh, has established a scholarship fund. The income from this fund is used to provide financial assistance to young men and women from Huntingdon and Bedford counties, with preference being given to residents of the Broad Top region, particularly the town of Dudley.

### Cherry Pie a la J. C.

Pennsylvania's 1951 cherry pie baking queen can credit some of her success to a Juniata College graduate.

At Newport Joint high school, Patsy Hower won the title in the state contest at Hanover. And her teacher at Newport was Sara E. Gantt, New Bloomfield, a graduate of Juniata in home economics last August.

### Three-Times Champ

When Juniata College's golfers won the 12th annual Western Maryland invitational tournament this season, it marked the third straight year they had won this title.

## Alumni Achievement

HARRY E. MACLAY '48 has been named editor of three Blair County weekly newspapers—The Hollidaysburg Register, Cove News and Williamsburg Journal.

Maclay was formerly copy editor for the Johnstown Democrat having joined the staff in July, 1948, as reporter. In the latter position he did feature coverage and church reporting.

MACLAY '48

While at Juniata, Maclay was active in extra-curricular activities. He was editor of the Alfarata, vice-president of the Senate, a member of the collegiate Who's Who and the Honor Society. He was also a member of the a cappella choir, Masque, varsity baseball team, staff of the Juniata and active in dramatics. He was graduated cum laude in 1948.

Maclay is a veteran of World War II. He is married to the former Charlotte Beam '48 and they have a son, Douglas.

NAMED CHIEF of the Electrochemistry Section of the National Bureau of Standards was Dr. Walter J. Hamer '29.

Dr. Hamer came to the Bureau in 1935 and is widely recognized for his achievements in the electrochemical field. He has authored many technical papers covering his investigations in this field.

Born in Altoona, Dr. Hamer received his Ph.D. degree from Yale University after graduating from Juniata. In 1945 he received Certificates of Award from the Office of Scientific Research and Development and from the Manhattan Project.

Dr. Hamer's work on the pH of potassium acid phthalate has been accepted by the British Standards Institution as the primary pH standard of Great Britain. He is a member of the Battery, Corrosion, and Theo-

retical Electrochemistry Divisions of the Electrochemical Society and holds membership in many leading scientific societies.

FELLOW thespians William S. Fegan '48 and George F. Parsons '49 have organized a stock theater "The Brookside Playhouse" at Neffs Mills, Pa., not far from Huntingdon.

During the winter the two actors were in St. Petersburg, Fla., where they worked with the Pinellas Players. Encouraged by the success of their production of "See How They Run" by the Neffs Mills Players last year and the experience gained in Florida, Fegan and Parsons decided to launch a permanent all-year-round theatre and call themselves the Neffs Mills Players.

Busy preparing a building for the arena-type shows and organizing the players (a company composed of actors from Hollywood and New York, college dramatic students and local talent) the director-actors also took a small troupe on the road through communities in central Pennsylvania with an Easter play.

NINE ALUMNI have been graduated from dental and medical schools this spring.

Three of the medical students were graduated from Jefferson Medical College—Simon Brumbaugh ex, Glen Ebersole '46, and Peter M. Guillard '47. William C. Dovey '47 was graduated from Temple University, School of Medicine, Charles Z. Yoder, '47, Hahnemann Medical College, and Raymand Curanzky ex, School of Medicine, University of Maryland.

The graduates in dentistry include Edward Bowser ex and George Matthews ex, University of Pennsylvania, and Max Garber '43, Georgetown University.

# Juniata's 75th Anniversary

**OBSERVANCE OF THE 75TH ANNIVERSARY** of the founding of Juniata College April 15-17 marked one of the foremost occasions on the College calendar in three quarters of a century. Scenes above were highlights in the historical three-day celebration. In the keynote address, President Raymond Walters of the University of Cincinnati declared that the church-related college has a vital role in the national emergency "to advance the contribution it has historically made."

**TOP LEFT:** President Calvert N. Ellis discusses the "forward looking" theme with President Walters (right). **TOP RIGHT:** Principal figures at the Convocation were the alumni recipients of honorary degrees: the Rev. Harold T. Smith '35, Bryn Mawr (Doctor of Divinity), Kenneth I. Morse '34, Elgin, Ill., (Doctor of Letters), President Walters, President Ellis, Dr. John B. Montgomery '21, Philadelphia, (Doctor of Science), Dr. John R. Beery '30, Coral Gables, Fla., (Doctor of Laws). **CENTER:** A life-size replica of the first classroom at Juniata was erected in Founders Chapel. Among the many guests attracted to the display was Prof. William Beery, NE '82 oldest living alumnus of the college (seated in front), and Mrs. Frank F. Holsopple NE '88, BS '91 (holding plaque). Three members of the freshman class (the same who were on the cover last issue) were seated in the first classroom; Peggy Brumbaugh (left), M. # The Juniata Sports Parade

UNLESS a longer memory proves contrary, the no-hit, no-run game Earl Detrick tossed for the Indians against Lycoming College on Saturday, May 26, 1951, is the first in Juniata College history.

In spite of another amazing record by the red hot golfers, Detrick's masterpiece copped the headlines in the Juniata sports parade for this Spring. And there's more to the story.

When the 20-year-old righthander turned back Lycoming 11-0 without a hit or run, it was the second no-hit game the invaders had lost in two days. The day before, Lycoming lost to Susquehanna 18-1 getting an unearned run but no hits. To top it off for Detrick, the victory was his first college win. A junior, he had not tried out for baseball until this season and had been charged with one defeat before his magnificent performance.

Detrick allowed only four men to reach first base, two on errors. He walked one, hit one with a pitched ball and struck out six. From the first to the sixth inning he retired 17 men in a row and he had another string of seven straight men retired when Umpire Cletus Fate called the twilight game after eight innings because of darkness and sprinkling rain.

That victory balanced the Juniata record at 8-8, but the Indians went on to beat Frostburg STC on Alumni Day, 6-3, for another winning season in baseball—9 victories, 8 defeats.

THE POWERFUL Indian golfers clearly established their claim to Juniata's most outstanding inter-collegiate sports team.

By winning their own invitational tournament at the American Legion Country Club, Mt. Union, and taking the Western Maryland invitational for the third straight year, the Tribe teemen ranked among the nation's finest competitors.

A record of 10 wins and one loss

EARL DETRICK  
Hurls First No-Hitter

to Westminster in dual matches this season provided the Juniata shot-makers with a spectacular five-year record in golf of 36 victories, four defeats and one tie. And they have not been beaten on their home course, the Huntingdon Country Club, in 20 straight.

Co-captain Ray Korody, Greensburg, and Bob Rhodes, Altoona, finished their collegiate careers with brilliant records for Coach Dr. Ed Kiracofe. In four years of dual com-

petition, Korody won 32 and lost only 5; meanwhile, Rhodes won 29, lost 3, tied 4.

Art Allen, another Greensburg ace, and Tom Cherok, freshman from Verona, the two other members of the four-man team which won the tournaments, also have played an exceptional brand of golf. Allen's three-year mark is 24 wins, 3 losses and 2 ties. Cherok, runner-up last year in the State PIAA tourney, won 10 and dropped only 1 in his first season.

Both Dave Bayer, Woodbury, N. Y., and Tom Sanders, Sewickley, aided the team in dual matches. Bayer has won 9, lost 8, tied 1 in two seasons and Sanders, a freshman, won 7 out of 9 this year.

THE TENNIS team came back into its own and recorded a .500 season with four wins, four defeats for the best performance on the courts since 1930. Juniata beat Indiana STC and Elizabethtown twice each while losing to Dickinson, Penn State and Lycoming twice.

Only in track did the Tribe fall below the 50-50 mark. The frosh-loaded cindermen took Lebanon Valley 70-56, but dropped other dual meets to Shippensburg STC, Dickinson, and Albright. They again placed third behind Bucknell and Gettysburg in a three-way contest and the four upperclassmen failed to score in the Middle Atlantic.

## Win Trophies

JUNIATA'S top athletes in five sports have been awarded individual trophies for "excellence in performance, good sportsmanship and cooperation."

Coy Hicks, Huntingdon senior honor student, won both the George L. Weber trophy for best football lineman and the J. Foster Gehrett trophy for track.

Weighing only 158, Hicks was regarded as one of the best guards to play football for Juniata. He was co-captain and played offense and defense on the 1950 team. Hicks is co-holder of the 100 yard dash record at the college and also is a hurdler, pole vaulter and broad jumper.

Other trophy winners were: Mike Mervis, Aliquippa, outstanding football back (Dr. J. Harold Engle award); Karl Park, Johnstown, basketball (Jack E. Oller award); Bob Rhodes, Altoona, golf (C. Blair Miller award); George Kensinger, Martinsburg, baseball (Charles F. Goodale, Jr. award).

All selections were made by vote of the varsity squad and coaching staff with the approval of the Athletic Council. In addition, seventy-two letters have been awarded in six varsity sports topped by football with 30.

### Best In Golf

Juniata College's five-year record in golf is the best intercollegiate performance on the sports books for the Indians. The golf team has won 36, tied 1, lost 4 in tough collegiate dual matches.

## Grid Card For '51

JUNIATA'S oldest grid opponent, Lebanon Valley, will reappear on the 1951 football card along with two other newcomers, Swarthmore and Allegheny, in a seven-game schedule.

The Indians first met Lebanon Valley in 1920, opening year of collegiate football for Juniata. Swarthmore never has been faced in football and Allegheny has not been met since 1936.

The remaining four opponents—Westminster, Haverford, Susquehanna and Grove City—were met by Juniata last season. Three of last year's rivals, Hartwick, Lycoming and Washington, have dropped football.

The 1951 football schedule:

Sept. 29, Westminster at Huntingdon; Oct. 6, Swarthmore at Swarthmore; Oct. 13, Allegheny at Meadville; Oct. 20, Haverford at Haverford; Nov. 3, Susquehanna at Huntingdon; Nov. 10, Grove City at Huntingdon; Nov. 17, Lebanon Valley at Annville.

## Mickle Award

S. RAY HOLLINGER, '51 Westminster, Md., captain of Juniata College's tennis team, has received the top award for sports leadership.

He won the Stanford Mickle Athletic Award — a trophy presented since 1947 to a graduating senior "who loved athletics, participated and manifested a wholesome interest in sports and contributed to the promotion of athletics at Juniata College."

HOLLINGER '51

The Mickle award is given in honor of a former college sophomore who drowned in 1942. In addition to receiving a trophy, the recipient will have his name inscribed on a plaque presented by the parents of Stanford, Mr. and Mrs. Russell S. Mickle of New Paris, Pa.

The 20-year-old Hollinger, son of Mr. and Mrs. K. Ray Hollinger, 12 Ridge Rd., Westminster, Md., was a member of the tennis squad in 1950 and 1951; on the football squad in 1948; and participated in intramural football, basketball and softball.

### Draft Test Delays Game

Juniata and Lycoming played a twilight baseball game here Saturday, May 26, because of the Selective Service college qualification test slated nation-wide that day. That was Detrick's no-hitter game, too!

### Southpaw Tops Staff

Dave LeFevre, Hanover, Pa., southpaw, registered five of the nine victories for the Juniata College baseball team this season. His record, 5 and 3.

### Unbeaten Golfers

Art Allen, Greensburg, and Bob Rhodes, Altoona, were unbeaten in 11 dual matches in intercollegiate golf competition for Juniata College this season.

## *A Message from the President*

To the Juniata Alumni and Friends:

It is with deepest gratification that I report to you the record-breaking results of the Juniata Alumni Fund. Few things have happened since I came into office which have been quite so heartening to me as the report for this year—the 12th year of the fund. We have made tremendous strides since 1939.

These pages record heart-warming progress during the past year in terms of contributions and dollars. It goes beyond that. No printed report could tell the full story of what this achievement has meant to Juniata College. I fully believe that our college is doing a job which justifies the enthusiastic support given by her loyal sons and daughters in this critical financial period of her 75-year history.

To those thousand—and more—alumni and friends whose gifts to the Alumni Fund, the Emergency Fund, the C. C. Ellis Memorial Scholarship Fund are an expression of their loyalty and devotion, my deepest gratitude in the name of Juniata.

We pray that Juniata College may be worthy of your confidence and your continued support.

President Calvert N. Ellis.

# Vacation Plans For You—At Juniata

Do you suffer a little nostalgia at this time of year when you read in the news about graduation and class reunions and trips back to the campus? Do you long to be back . . . to revisit old familiar scenes which became so much a part of you during your undergraduate days . . . to stop in the dorms and meet the fine young group of men and women who took the place of you and your friends in the not too long ago?

Sure enough, many of you do! Juniata still holds a firm place in your memory. That's why this Alumni Vacation Week was launched two years ago. That's why it is being undertaken again.

You'll want to plan today for this inexpensive vacation in the mountain atmosphere . . . with good wholesome food . . . free time to relax and recreation, too. Only \$3.50 per person per day for single or double room and meals.

That's all it Takes

JUST for the price of a three-cent stamp, you may join our "club of contributors" to the personal column of the Alumni Bulletin. To help your class mates keep in touch with you and to make the personal columns more enjoyable for you and others to read, the editors need "a few words" FROM you.

Why not drop a line to the Alumni Office or your class representative and let us know what you are doing, where you are living, how the family is growing, and any ideas you have to promote a better Juniata.

Jot down a note here and mail it today!
